

Background Check

All potential team members are required to have a background check completed prior to becoming a full-fledged team member. If you have a felony arrest record, our By-Laws will not allow you to become a team member.

Background checks are completed at no charge for Rescue Squads. Follow this link and complete the application. A copy of the results should be mailed to:

Wolfe County Search & Rescue

P.O. Box 822

Campton, Ky. 41301

Once we receive the results of your background check, you will be notified.
